Sir:

AMENDMENT UNDER 37 CFR §1.312

A Notice of Allowance of the above application was mailed on June 01, 2006. This Amendment after Allowance is being filed prior to the payment of the Issue Fee. Applicants respectfully request entry of this Amendment.

Amendment to the Title of Invention

Upon review of the first page of the Notice of Allowance and Fee(s) Due form, Applicants request that the first word of the title "1,2 Diarylbenzimidazoles and Their Pharmaceutical Use" be corrected to reflect the correct spelling of the title as originally filed "1,2 Diarylbenzimidazoles and Their Pharmaceutical Use".

After careful review of the file contents, Applicants found that the error was made by the USPTO in the initial filing receipt (copy attached) and was unfortunately carried throughout the prosecution of this case. Therefore, Applicants request that the USPTO correct the title and that said correction be made of record.

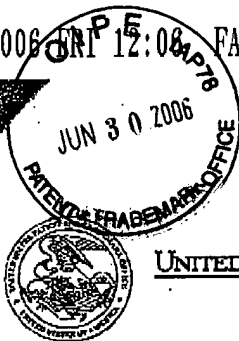

Since the error was made on the part of the USPTO, Applicants believe that no fee is due, however, the Commissioner is hereby authorized to charge any deficiency to deposit account 02-2117 to facilitate the issuance of the above-identified patent application.

Respectfully submitted,
